

Appendix 13-1: Authorization to Prepare Pre-Disposition Report

JUVENILE JUSTICE Consent for Preparation of a Pre-Disposition Report

Juvenile's Full Name: [Juvenile Name]

Juvenile's DOB: [Juvenile Date of Birth]

If the above listed complaint(s) is/are approved for filing as a petition with the court, this consent allows a pre-disposition report to be prepared prior to adjudication. An adjudicatory hearing is a court hearing to decide if the facts of the petition are true. A pre-disposition report will contain information about your child and recommendations to the court for an appropriate plan to meet the needs of your child and to protect the public. The pre-disposition report includes Juvenile Family Data Sheet/social history information (e.g. family history, medical, psychiatric, psychological, and educational information), a Risk and Needs Assessment/Summary, and Service Plan.

I understand the pre-disposition report may be reviewed by my child's attorney. The report may be shared with the District Attorney and the presiding judge only if the petition(s) is/are found to be true. All juvenile information shall remain confidential.

I understand that I am not required to sign this consent form, and that services will not be adversely affected if I choose not to sign.

I understand that I have the right to revoke this authorization at any time by signing the *Action to Revoke* section at the bottom of this form, except for information that has already been released. Unless revoked sooner, this authorization expires at the completion of JJ involvement or the termination of court jurisdiction.
